

BELI is a next-generation **community-driven meme token** designed for transparency, fun, and organic growth. With a **0% tax** and **locked liquidity**, BELI empowers holders and builds trust from day one. Our mission is to make crypto accessible, exciting, and rewarding for everyone—starting from Indonesia to the world.

To become the most recognized and adopted meme token in Indonesia and expand globally, uniting communities through the power of memes and blockchain.

- Build a strong, active, and positive community.
- Provide a transparent and secure ecosystem for all holders.
- Educate and inspire the public about crypto and meme culture.
- Continuously innovate and expand BELI's utility and reach.
